6. Participants :

- i. Competitors : School students at age between 12 and 16 years old from countries in Asia Pacific region. *(Date of Birth between 28 November 1999 and 29 November 2004)*
- ii. Selection : A participating country should hold its national water rocket competition to select competitors.

(Notice: It is suggested that the competitors be selected based on not only their performance in launching water rockets but also their interest in space activities and in friendship and cultural exchange. The selected students should preferably have adequate English language proficiency.)

- iii. Teachers/Leaders : The students shall be accompanied by teachers or leaders of youth activities to travel to Bali, Indonesia. The accompanying teachers or leaders must be interested in space and science education, willing to engage in the exchange of knowledge, experience and skills with water rocket and other educational activities with those from other countries and committed to promoting space and science education activities among young people in their home countries.

*(NB: In view of the limited capacity of the venue and accommodation, each participating country should **limit the number of students to 6 and accompanying teachers/leaders to 2 to participate.**)*

7. Application Deadline : The final list of all participants must be communicated to JAXA and LAPAN, **no later than Friday, 9 October 2015**. For application received by this date LAPAN will issue a letter of invitation and assist with visa application.
